Pop-up space in the market hall of Steinbock mall

Immerse yourself in the world of STEINBOCK. This is where modern architecture meets innovative ideas and timeless design meets dynamic spaces. STEINBOCK sparks inspiration.

It can also be rented by the day and divided into separate spaces of 30 m² if required. Please note that the space is free-standing within a larger area, so it cannot be closed off entirely. In addition to the large number of dining and shopping options in the same development, STEINBOCK also boasts a prominent location and superb transport links, with direct access to Chur railway station.

A large public car park can be found beneath the development. Please don't hesitate to get in touch. We'd be happy to provide you with a quote tailored to your requirements.
