INFO 2nd floor | fitted out | centrally located

Business hub in the centre of Grenchen

Located right in the centre of Grenchen, this residential and office building has firmly established itself as a meet-up, work and shopping destination.

Grenchen - the second largest municipality in the canton of Solothurn - is home to unusually beautiful residential areas. The town is characterised by a unique combination: the traditional watch and precision manufacturing industry coexists alongside idyllic green residential and living spaces. Well-developed infrastructure, a wide range of cultural and leisure activities, and excellent shopping opportunities all contribute to a high quality of life.

It is possible to rent a sub-area of 40 m². The space is unfurnished and can be fitted according to your requirements. A water supply is also available.

Practical parking spaces are available to rent in the building's on-site car park. We would be happy to help if you have any questions or concerns.

Changes and deviations from the published information and the building specifications are expressly reserved. We assume no liability.
