Maintower – make room for new beginnings

Surrounded by renowned international companies, Maintower's 16 storeys soar into the sky. The mirrored glass surface and façade grid in dark natural stone give this timeless property in a prime location by Oerlikon station its character.

We are offering 500 - 1,070 m² of high-quality fitted and air conditioned rental space on the 3rd floor.

Maintower fulfils all sustainability and security requirements, making it ideal for companies with even the most exacting standards. The open floor plan with its two central zones enables a modern workspace concept. Individual offices and meeting rooms are already available in some areas. The raised floors enable maximum flexibility, while the ventilation and air conditioning systems ensure a pleasant room temperature.

Changes and deviations from the published information and the building specifications are expressly reserved. We assume no liability.
